

## PCMCIA adapter CardBus > 1 x parallel

### Description

The Delock PCMCIA adapter CardBus expands your notebook by one parallel port. You can connect devices like scanner, printer, etc. to the adapter. Due to its flat design you can insert the PCMCIA card in the lower slot so that you can still make use of the upper slot.

Ref. 61612  
EAN 4043619616121
