

Express Card > 1x USB 3.0

Description

This adapter complies with the express card 34 standard. It expands your notebook by one USB 3.0 port so that you can connect USB 3.0 devices like docking station, card reader, external enclosure etc. to the card. Since the USB-A interface is compatible to its forerunners USB 2.0 and USB 1.1, you can still use your existing USB devices.
