

Cable eSATAp > SATA 22pin retractable

Description

This Power Over eSATA cable enables you to connect your 2½" SATA HDD with SATA 22pin interface to a free Power Over eSATA (eSATAp) port. The Power Over eSATA port combines eSATA and USB and enables the power supply via the integrated USB interface. Furthermore the retract function by just one touch on the button enables you to coil the cable easily and to store it in any notebook bag.
