

Delock 2.5" External Enclosure SATA / IDE HDD > USB 3.0

Description

This Delock aluminium enclosure enables you to install a 2.5" IDE or 2.5" SATA HDD with an installation height of up to 12.5" mm. The enclosure can be connected to two free USB ports of your laptop or PC, by using the included Y-USB cable. The second USB port will be used as power supply in case one port does not provide enough power. The enclosure supports the SATA 3 Gb/s and SATA 6 Gb/s specification, which enable a high data transfer rate, if the enclosure is connected to a USB 3.0 port. Using the button on the backside you can easily open the enclosure.

Item no. 42494

EAN: 4043619424948

Country of origin: China

Package: Retail Box
