

Delock Adapter cable for Laptop Charging Cable USB Type-C[™] female to Acer 5.5 x 1.7 mm male 90° angled 15 cm

Description

With this adapter cable by Delock a USB Type-C[™] PD cable can be used to charge a laptop from a power source. The 90° angle avoids the bending of the cable and due to the small dimensions, the adapter is an ideal companion on the go.

USB Type-C[™] port

The charging cable can be connected to a corresponding laptop. A USB Type-C[™] PD power supply can then be connected to the USB Type-C[™] port. As the PD power supply units are significantly smaller and lighter than the original laptop power supply units, it is a practical addition for working on the move.

15 cm

Item no. 60038

EAN: 4043619600380 Country of origin: China Package: Zip poly bag

Note

For the Power Delivery mode, a USB cable with a corresponding fast charging function of at least 60 W and a PD power supply (20 V / 5 A, 20 V / 3 A) are mandatory.

Corresponding cables and power supply units from Delock are optionally available.

Technical details

- Connectors: 1 x USB Type-C[™] female 1 x Acer 5.5 x 1.7 mm male
- · Colour: black
- Voltage: 19.5 V
- Output current: 3 A
