

Delock Cable Gland with strain relief PG7 grey

Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes.

Additional protection through strain relief

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

The cable gland also offers increased protection against dirt and moisture.

Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

Item no. 60340

EAN: 4043619603404 Country of origin: China Package: Zip poly bag

Technical details

Thread size: PG7
Thread length: 8 mm
Spanner width: 15 mm
Protection class: IP68

 Cable diameter: min.: 3 mm

max.: 6.5 mm

• Operating temperature: -40 °C ~ 100 °C

· Material: plastic

Colour: grey RAL7035

Package content

· Cable gland
