

Delock Cable protection sleeve 1 m x 13 mm black

Description

This corrugated plastic conduit by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage. In combination with the Delock conduit fitting 60453, it provides a secure and firm hold.

Excellent flexibility and resistance

The protective conduit is characterised by its high abrasion, temperature and chemicals resistance. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending.

Multifunctional application

Due to the robust design and flexibility, protective conduits are often used in installations, automation and machine systems.

Ø 13 mm / 1 m

Item no. 60457

EAN: 4043619604579 Country of origin: China Package: Poly bag

Note

The sleeve is suitable for the Delock conduit fitting 60453.

Technical details

• Length: ca. 1 m

• Diameter: ca. 13 mm

• Reusable

Flexible

• Protection class: IP68

Environmental temperature: -40 °C ~ 125 °C

· Material: plastic

• Fire-resistance rating: 94V-0

· Colour: black

Package content

· Protection sleeve
