## Delock Cable Gland with strain relief $90^{\circ}$ angled PG11 grey

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

## Additional protection through strain relief

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

## IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

## Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

## Technical details

- Thread size: PG11
- Thread length: 9 mm
- Spanner width: 22 mm
- Protection class: IP68
- Cable diameter:
min.: 5 mm
max.: 10 mm
- Operating temperature: $-40^{\circ} \mathrm{C} \sim 100^{\circ} \mathrm{C}$
- Material: plastic
- Colour: grey RAL7035

## Package content

- Cable gland

## Images

## General

Protection category: IP68

## Technical characteristics

Operating temperature: $\quad-40^{\circ} \mathrm{C} \sim 100^{\circ} \mathrm{C}$

## Physical characteristics

| Material: | Plastic |
| :--- | :--- |
| Colour: | grey |
| Thread type: | PG11 |
| Cable diameter: | $\min .: 5 \mathrm{~mm}$ <br> $\operatorname{max.~} 10 \mathrm{~mm}$ |
