Delock RGB Hub for ARGB LEDs with 10 ports

Description

This RGB hub by Delock can be connected to a motherboard with addressable **RGB 5 V** connector to extend the internal LED lighting. Thus, up to **10 ports** are available on one **ARGB** connector for individual illumination. Two magnets on the bottom provide a good mounting option in the computer case.

Item no. 64128

EAN: 4043619641284

Country of origin: China

Package: Retail Box
