

Delock Adapter MHL Micro USB male > VGA female + USB Micro-B female + Stereo jack female

Description

This MHL adapter by Delock allows e.g. to connect a smartphone to a monitor or projector, by using an optional VGA cable. An existing power supply of the smartphone or tablet PC must be connected to the additional Micro USB female port of the adapter. Thus, e.g. videos can be played while the mobile device is powered simultaneously. The stereo jack is used for the transmission of audio signals.

Item no. 65336

EAN: 4043619653362

Country of origin: China

Package: Retail Box
