

Delock Adapter USB mini male > USB 2.0-A female OTG 90° angled

Description

This mini USB adapter by Delock enables you to convert the USB 2.0-A male port of your device into a mini USB male port. Thus you can connect e.g. HDDs or memory sticks with standard USB port to mobile phones, smart phones, tablet PCs etc. with OTG support. The OTG function enables a direct data transfer between your mobile device and the USB device, without connection to a computer. The angled connector provides a stable hold inside the mini USB female port and can be used especially for ports which are difficult to access.

OTG

Item no. 65476

EAN: 4043619654765

Country of origin: China

Package: Poly bag
