

Delock 10" Cable Management Routing Panel with opening and 2 hooks 1U black

Description

This routing panel by Delock is suitable for installation in a 10" network cabinet.

Proper laying of cables

The network cables are simply routed from the front to the rear and the network cabinet leaves a tidy overall impression.

Cable routing hook for optimal cable management

With the solid hooks the patch cords can be neatly routed horizontally.

Front with opening

The panel is equipped with an opening to allow easy cable access.
