

Delock D-Sub 9 pin female to RJ12 6P/6C female Assembly Kit

Description

This adapter by Delock expands a serial D-Sub 9 interface via an ISDN, telephone or RJ12 cable. The D-Sub 9 interface can be assigned individually and flexibly. The contacts of the adapter can be inserted into the D-Sub 9 housing according to the desired requirements. With a slight click, the sockets snap into place and provide reliable contact.

Item no. 66759
