

# Delock 19" Keystone Patch Panel 48 port with strain relief 2U angled black

## Description

This patch panel by Delock can be mounted in a 19" cabinet. With its standardized dimensions, it is suitable for easy snap-in mounting of 48 Keystone modules.

### Angled design

The patch cables can be easily connected from both sides and provide improved cable management. In addition, the angled panel is a space-saving alternative to standard panels and prevents cable bends.

### Strain relief for optimal cable management

On the back of the patch panel, the cables can be fixed with cable ties to enable clear and orderly cable routing.

### With dust cover and labelling field

The individual ports in the front panel have a dust cover to protect them from dirt when not in use. In addition, the patch panel has a small labelling field per port, which can be individually labeled or provided with various symbols.

**Item no. 66977**

EAN: 4043619669776

Country of origin: China

Package: Box

## Technical details

- For mounting in 19" network cabinet, 1U
- 48 Keystone ports 16.2 x 14.6 mm
- With labelling field and dust protection cover
- Material: metal
- Colour: black RAL9005
- Dimensions (LxWxH): ca. 483 x 260 x 88 mm

## Package content

- 19" patch panel

- Ground wire
- Screw
- 25 x cable tie
