

Delock RJ45 Modular plug with strain relief Cat.6A and robust bend protection boots 25 pcs set

Description

This high quality RJ45 plug set by Delock includes shielded RJ45 plugs with strain relief, bend protection boots and a cable manager for optimal assembly installation of cables with 26 AWG.

With special robust bend protection boot (snap-on design)

The unique design of the bend protection boot makes it possible to attach the bend protection boot to the cable after the RJ45 modular connector has been assembled, easily and without great effort. In addition, there is a labelling field on the protective boot which can be individually labelled to distinguish the network cables from each other.

Item no. 66990

EAN: 4043619669905

Country of origin: China

Package: Box

Technical details

- RJ45 plug with strain relief
- Robust bend protection boot with snap-on design
- Suitable for Cat.6A round cables from 6,5 - 7,0 mm
- For solid or stranded wire (26 AWG)
