

Delock Keystone Surface Mounted Box 6 Port for fiber optic and network white

Description

This empty box by Delock is suitable for mounting 6 Keystone modules and can be used as a junction box on the wall or in enclosures. It offers a versatile solution for the flexible installation of Keystone modules in networks, data centres, home and commercial environments.

Dual design for fiber optics and network

The dual design also offers a flexible solution for the organisation and protection of fiber optic connections and network connections.

Item no. 67052

EAN: 4043619670529

Country of origin: China

Package: Poly bag

Winding system for optical fiber cables

The built-in spool makes it possible to wind fiber optical cables cleanly and safely. The device provides a structured cabling infrastructure and prevents kinks and damage to sensitive optical fiber cables.

Removable modules

The mounting box has 3 module sections, each with 2 ports for the Keystone modules, which are removable. It makes installation easier.

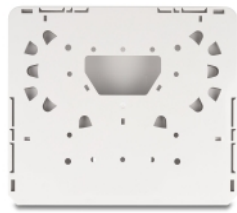

Technical details

- 6 Keystone ports 16.5 x 14.7 mm
- Integrated name plates
- Removable modules
- Operating temperature: -10 °C ~ 60 °C
- Material: ABS
- Colour: white
- Dimensions (LxWxH): ca. 180 x 150 x 33 mm

Package content

- Keystone surface mounted box
- 3 x transparent labelling label
- 4 x cable tie
- 8 x screws
- 12 x symbols
