

Delock Wire Puller for active optical cable

Description

This wire puller by Delock is designed for pulling cables and wires into installation conduits. It enables smooth passage through narrow ducts and is ideal for fast and effective installation work.

Especially for active optical cables

The cable pull-in aid protects the connector from damage when pulling the cable. The fastening with cable ties makes it possible to reuse the pulling aid.

Item no. 83218

EAN: 4043619832187

Country of origin: China

Package: Zip poly bag

Technical details

- Cable pull-in tool with a diameter of 5 mm
- Reusable
- Material: plastic
- Colour: black
- Dimensions (LxWxH): ca. 113 x 20 x 17 mm

Package content

- Pull-in tool
- 2 x cable tie
