

# Delock RJ45 Cat.6A built-in connector with protective dust cap

## Description

This RJ45 built-in connector by Delock can be used in a switch cabinet or distribution box to connect two RJ45 plugs together.

### Dust cover

The dust protection cap protects the female port from dirt or damage when not in use. The built-in socket thus remains ready for use in the long term, especially in dusty environments and in industrial sector.

**Item no. 86968**

EAN: 4043619869688

Country of origin: China

Package: Zip poly bag

## Technical details

- Connectors:
  - 1 x RJ45 jack
  - 1 x RJ45 jack
- Built-in hole Ø: 23.5 mm
- Cat.6A specification
- With protective dust cap
- Housing material: metal / plastic
- Colour: black
- Dimensions (LxD): ca. 28.3 x 23.5 mm

## Package content

- Built-in connector
