Delock RJ45 plug to RJ45 jack Adapter Cat.6A 90° upwards angled

Description

With this adapter by Delock the RJ45 jack of a device can be angled by 90°. This makes it easier to connect a network cable in hard to reach places and prevents damage to the device socket or cable breaks due to bending.

Multifunctional application
The RJ45 adapter can be used, for e.g. in network cabinets, patch panels, servers or switches.
